WEDNESDAY MORNING, NOV. 12, 1862.

Highly Important News!

A package of Chicago, Cincinnati, and Louisville papers, up to the 8th and 10th instants, was left at our office last night at so late an hour as to prevent us from copying more than a few items from Brilliant Union Victory at Burburs. them. We shall issue an extra this forenoon, with a large amount of highly interesting matter.

THEATRE.-The bill selected for the opening night is the "Misers' Daughter," and "Kiss in the Dark," Mr. DOFFIELD will sing, and Master RICHARD will dance. It is the intention of the Manager to introduce a verity of novelties during the present season.

A Warning.

We are informed that some shop keepers in the city are issuing individual shinplasters. This is in flagrant violation of the law of Congress, and the offenders are liable to a heavy fine. The Federal authorities in Louisville have recently arrested several such offenders in that city, and have punished them severely. Persons who have been issuing shinplasters here will consult their interests by calling them in immediately. These shinplasters are a nuisance, and open the door to an infinite amount of went up on the Express. swindling. The ease with which they can be counterfeited is alone sufficient to condemn them, and will of itself-prevent one tenth of them from being redeemed.

Review of Troops.

Yesterday afternoon General Ross-CRANS reviewed the troops belonging to the commands of General Negtay and General Palmen, on the commons beyond the Penitentiary. The troops made a fine and soldierly appearance, and their long and bristling line extended for over a mile, adorned, at intervals, with gorgeous uniforms and glittering banners, "gave hope to the valiant and promise of war." May Heaven ever bless the gallant men with victory!

The Railroad Bridge at Franklin, Tenn., across Harpeth, was burned on Monday by the rebels. We hope General Rosacnans will compel them to rebuild brilliant the victory is found to have it. The purses and veins of such foes to society ought to bleed freely.

Water Taxes!

The Superintendent of the WaterWorks has positive orders to shut off all water from delinquent tax-payers. Such as are in arrears will find it to their inter- left 86 dead on the field, and their woundest to call forthwith at the office of the Collector, and pay up.

Capt. A correspondent informs us that their behavior elicited universal admiration:

If it was not a great pleasure I would to try the case. Yeel it my duty to report to you the praiseworthy conduct of the detachment of your company, commanded by Sergeant CURRY, during the attack of the rebel Morgan on our lines yesterday, Several instances of individual bravery came under my notice, but all alike dis-played courage and soldierlike qualities Washington, Nov. 6.—The intelligenworthy of the highest commendation. The battle was fought by cavalry slone, and between the least disciplined troops either army could produce. The rebels were under the command of

Gen. Stuart, and the Federals under command of Gen, Pleasanton. The final result shows that the rebels

ed must have been numerous. Our loss was 5 killed and 10 wounded. Gen. Pleasanton to-day reports that General Jackson occupied Chester with

his command. The town of Warrenton was occupied by our troops at 3 P. M., taking five prisoners belonging to the 3d Virginia cavalry and two infantry soldiers who state all of our troops who were engaged in ish to-day on the Waterleo road, killing the fight. The Court of Inquiry, appointed to meet in this city on the 8th uit, pursuant to special orders dated "Headquarters of Army, Adjutant General's office, Washington, October 6, 1862," and of which COMMECTED DAILY by W. S. CHILDS & CO., Brig. Gen. Harney is President, has investigated the charges preferred by Fitz

John Porter against General Martindale, U. S. volunteers. It being the opinion of the Court that the charges against Brig. Gen. Martaindale are not approved, and that the interests of the service do not require an investigation of the subject matter of inquiry, Brig. Gen. Martindale is restored to duty. The Court of Inquiry, of which Gen. Harvey is President, is dissolved by command of Maj. Gen. Halleck.

The intelligence to-day from the army eads to the well-credited inference that the rebels having failed to hold possession of the various gaps in the Biue Ridge are not disposed to force their way through and attack our forces, and seem to be making their way down the valley toward Gordonsville. At present there does not seem to be any prospect of a collision.

Gen. Hunter will most probably return to his command at Port Royal.

Gen. Clay, not being ordered to any command, is here awaiting instructions, which, it is said, will be soon issued for his return to Russia, in place of Cameron, on his way home.
